Secondary Day of Contact Phone Number: _____

How many 35x35 spaces will your team have?

(Circle the correct #): 1 2 3 4

Please see the following pages to complete your tent drawings/design layout.

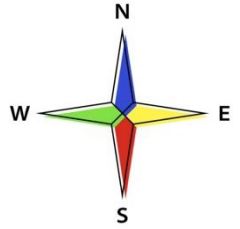

Reminders:

- *Once tent is installed, it can NOT be moved.*
- *If there are any tent changes after Thursday, March 28, 2024 – There will be an additional charge and equipment will be based on availability.*
- *If there are any rental changes after Thursday, March 28, 2024 – there will be an additional charge and equipment will be based on availability.*
- *If your team has a structure tent built by HTE, the X-Bracing needs to be on the corners of the non-gable (triangle) side of your tent.*
- *If your tent is longer than 60' then you'll be required to have another X-Brace in the middle bay on both sides of that tent (on the same non-gable triangle side of the tent).*
