

# REVIEWING YOUR ACCOUNT

How to view your anticipated aid and amount due

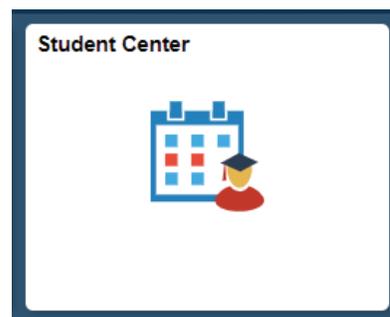

## STEP 1:

Log in to your AccessUH account at [accessUH.uh.edu](https://accessUH.uh.edu) and click on the yellow myUH self- service button.

## STEP 2:

Click on the "Student Center" tile.

## STEP 3:

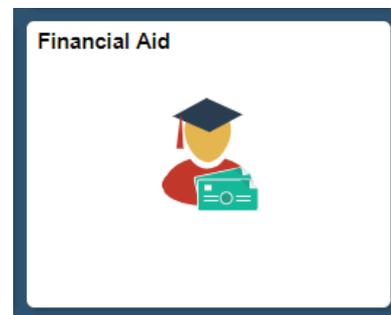

Your account homepage will appear and you will see a personalized snapshot of your account.

The screenshot below is the Account Balance section in your account. Your entire Fall 2021 bill will appear as **Term Balance**. Any pending aid you will be receiving will appear as **Pending Aid**. The amount you still owe for Fall 2021 will appear in **Total Amount Due**. Please be aware that if you make changes to your account (ex: adding a class or choosing a parking permit) after making payment, it is your responsibility to check the activity on your account and resolve that updated balance.

Account Balance	
<b>Fall 2021</b>	
Term Balance	\$0.00
Pending Aid	\$0.00
Term Total	\$0.00
Prior Balance	\$0.00
Total Amount Due	\$0.00

## STEP 4:

If the amount in your **Pending Aid** does not reflect the amount you anticipated, make sure that you have officially accepted or reject any aid that you have been offered as part of your financial aid package. To do this, return to clicking the myUH self-service button followed by clicking the "Financial Aid" tile. From here, you will be able to view your package within the Accept/Decline Awards option.

**Yes, the total amount of the student's Pending/Anticipated Aid is more than the total of their tuition and fees.** After tuition and fees are paid, a student may receive a refund that can be used toward books or other expenses. Pending/Anticipated Aid does not apply to balances owed from a previous academic year.
