### 2012 Tax Return Spouse Statement of Non-Filing

Your FAFSA was selected for review in a process called “verification.” In this process, your school will be comparing information from your application with signed copies of your (and your spouse’s, if you are married) 2012 Federal tax forms, or with W-2 forms or other financial documents. The law says we have the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR).

**Instructions:**

\*\*\*\* This form should ONLY be submitted if your FAFSA application was selected for the verification process \*\*\*\*

You are also required to provide all 2012 IRS W-2 forms issued to you by each employer(s). List every employer even if the employer did not issue an IRS W-2 Form.
