This October marks the National Institutes of Health (NIH) Office of Science Policy's 5th Annual National Biosafety Month!!

National Biosafety Month is a period during which institutions are encouraged to refocus their attention on biosafety policies, practices and procedures. The UH Biosafety Office is committed to keeping our biological research community safe and compliant with federal, state and local regulations.

On October 25, 2018, the UH Biosafety Office will focus on two subjects :

1). **Biological Research Registrations** and 2). **Annual Laboratory Inspections.**

Below are times and locations:

-Health I Building, Room 280, 10:00 am - 12:00 pm

-Science and Engineering Research Center, Room 5012, 2:00 pm - 4:00 pm

Please feel free to come by and talk with UH Biosafety personnel as we continue our efforts to maintain high standards of biosafety practices . If you have any questions, please contact the Biosafety Office at ehs@uh.edu or 3-5858.
