

External Reviewer Qualifications Form

The criteria for the selection of external reviewers is outlined in [Rule §5.52](#) of the Texas Administrative Code. Any external reviewer selected to participate in the Graduate Program Review must meet the following qualifications:

1. Must have subject-matter expertise
2. Be employed by institutions of higher education outside of Texas
3. Must be able to visit campus for an on-site review (or a remote desk review for stand-alone master's programs)
4. Must be part of a program that is nationally recognized for excellence in the discipline
5. Must be able to affirm that they have no conflict of interest related to the program under review

Please add the reviewer credentials below and submit this form to tvjones@uh.edu for approval prior to inviting the reviewers.
