Annual Performance Review Committee

Rotation amongst faculty members at different faculty ranks. The goal is to have all faculty serve on the committee. The rotation procedures will be decided by each of the qualified groups, (i.e. NTT Associate Professors (1), Associate Professors (2), and Full Professors (2)).

Enhanced Performance Review Committee

All professors, except a professor who is under review.

College Faculty Search Committee

One faculty member will be voted upon once a position has been approved. Interested faculty members will nominate themselves. If more than one person desires to serve on the committee, a voting procedure will be performed. Those showing interest and not elected, will have their name forwarded to administration for further consideration.
