III. COMMENTS/SUGGESTIONS

14. What have you liked most about this course and why?

The best thing about this course was that we actually get hands-on experience of how we should think as engineers and what the field would be like.

15. What have you liked least about this course and why?

Working in teams was a challenge and because of lack of co-ordination, it resulted in a bad grade.

16. Other comments and suggestions.

There should be an option to increase the grade based on individual performance as well.
