

UNIVERSITY of HOUSTON

HUMAN RESOURCES

Dear [Faculty](#) and [Staff](#);

The University of Houston continues to monitor the impact of the recently announced omicron variant and its impact to our community. As you may recall, Temporary Remote Work/Sick Leave Guidelines were posted on our website at the beginning of the Fall 2021 semester. Guidelines for faculty and staff continue to be in place. Please visit our website, the information regarding the details of [these guidelines](#) can be [found here](#).

In addition, guidelines for faculty are available at the [Provost's website here](#).

Please continue to be vigilant and consider COVID-19 vaccinations or booster shots if you have not done so. [Free COVID-19 testing](#) readily available by appointment at the Curative kiosk in front of the UH Student Center South. Testing is available through December 23, 2021, and will resume January 3, 2022.

Please refer to our [COVID-19 website](#) on a regular basis for updated information about UH's continuing response to the pandemic. We will continue to keep you updated as more information becomes available.

If you have any questions, please feel free contact our office.

Sincerely,

Gaston Reinoso

Associate Vice Chancellor/Vice President, Human Resources
