

**Safety** is our primary concern at the University of Houston. As we prepare to return to campus, it is important for us to continue to make every effort to keep ourselves healthy and safe. The University of Houston has created guidelines and protocols to keep all Faculty, Staff, and Students safe on campus.

Employees returning to campus are required to adhere to the following protocols.

### **UH COVID-19 Website and Responsibilities**

Please note it is your responsibility to stay updated on all information and guidelines pertaining to COVID-19 by visiting the UH COVID-19 Website on a regular basis for any updates.

### **Complete a Daily Self-Assessment**

- Take your temperature
- Conduct a self-assessment of your health/infection exposure
- Am I exhibiting any signs of possible COVID-19? Click **HERE** to review the list of COVID-19 symptoms

### **Adhere to Healthy Hygiene Practices**

- Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing
- If soap and water are not readily available, **use a hand sanitizer that contains at least 60% alcohol.** Cover all surfaces of your hands and rub them together until they feel dry
- **Avoid touching your eyes, nose, and mouth** with unwashed hands

**The University encourages employees to wash or sanitize their hands upon arrival to campus.**
