

Greetings! It's UH Open Enrollment time once more and Aflac wants to be sure each benefits eligible employee has an opportunity to enroll for the September 1<sup>st</sup> 2020, effective date.

We have been serving the University of Houston System since 2011 and cover hundreds of UH System employees. Aflac is offered to benefits eligible employees and their entire immediate family equally. These policies are pre-taxed and deducted directly from your pay and they are portable so you can take these policies with you if you separate from UH, with no increases in cost. The Aflac policies offered are **Accident, Hospital, Cancer, and Critical Care and Recovery**. The prices vary with the number of dependents covered, level of coverage, and with Hospital and Critical Care, age. When we speak, I will be able to give you an exact price.

There are no medical exams and no fluid testing is required.

Please take a minute and review the exact coverage offered on the Aflac for UH System web site below and see link for scheduling a meeting with an Aflac agent.
