

DISCOVER THE COMMERCIAL POTENTIAL OF YOUR RESEARCH

JOIN US FOR AN ENTREPRENEURSHIP RESOURCES PANEL

WHAT:

Learn more about the entrepreneurship resources available at University of Houston. Hear about grant opportunities through NSF and the UH GAP fund, learn about mentor connections, take advantage of resources and information to commercialize your research.

WHEN: Friday, February 10th at 11:30am

WHERE: CEMO Hall, room 105

RSVP: <http://bit.ly/2kuCrim>

*lunch will be provided

WHO:

Dr. Jim Briggs, Professor, Biology and Biochemistry Department, NSM Associate Dean of Faculty Affairs

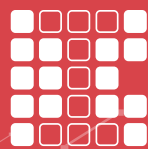

Ken Jones, Executive Director of Center for Industrial Partnerships, Division of Research

Kerri Smith, Director of Rice NSF I-Corps and Managing Director of OwlSpark

Craig Vollert, Ph.D. candidate in Pharmacology, Co-founder of Teomics

Dr. Wei-Chuan Shih, Associate Professor of Electrical and Computer Engineering

Dean Latha Ramchand & Dean Joseph Tedesco will also be joining us after the panel to discuss the importance of commercialization and innovation at UH.
