

• I-Corps Southwest Meet-up •

We invite you to join colleagues from I-Corps sites around the region to share best practices and collaborate on creating more effective programs to help support I-Corps teams.

Please feel free to forward this invite to others at your university who are working with I-Corps.

When: Monday, June 19th, 9:00am - 3:30pm CDT

Where: University of Houston's Energy Research Park

Agenda: The following topics will be discussed during the meet-up.

- Setting I-Corps program goals and intent
- Exposure and promotion
- Crafting an effective curriculum
- Evaluating outcomes and measuring success
- Perspectives from established SW Sites
