

About This Topical Module

This module examines students' experiences with academic advising, including frequency, accessibility, and types of information provided. It also asks students to identify their primary source of advice. The module complements a question on the core survey about the quality of students' interactions with academic advisors. Complementary FSSE set available.

Comparison Group

This section summarizes how this module's comparison group was identified, including selection criteria and whether the default option was taken. This is followed by the resulting list of institutions represented in the 'Acad Adv Public >20K' column of this report.

Group label	Acad Adv Public >20K
Date submitted	6/13/14
How was this comparison group constructed?	Your institution customized this group by selecting institutional characteristics as follows: Sector (Pub); UG Enrollment (> 20K)
Group description	Academic Advising - Public universities with enrollment more than 20,000.

'Acad Adv Public >20K' institutions (N=21)

California State University, Fullerton (Fullerton, CA)
 California State University, Northridge (Northridge, CA)*
 Florida International University (Miami, FL)
