

THE YEAR HAS YET TO START, BUT **MOORES** IS ALREADY *IN MOTION*.

Our award-winning world champion Concert Chorale, under the direction of **Betsy Cook Weber**, has been selected to perform at the Texas Music Educators Association Convention in San Antonio, Texas on February 8–11, 2017.

Nancy Weems, Madison Endowed Professor of Music and Chair of the Piano Division, was a featured performer in an invited four-city concert tour of the People's Republic of China from May 18–31. The tour was sponsored by the University of Peking and the Chinese Academy of Sciences and focused on the presentation of recent research concerning the important role of musical study in the development of the brain. Several outstanding musicians and teachers from the U.S. were invited to perform and to present workshops and master classes, including Nancy Weems, John Weems and Juilliard professor Matti Raekalio. The concerts included appearances in Beijing, Nanjing, Chengdu and Shenzhen.
