# YOUR STUDY AT SWANSEA UNIVERSITY

You can study at Swansea for a full academic year or for just one semester, starting in either September or January. You can enrol with us as an exchange student or as a direct enrolment student:

## EXCHANGE

- If your home university has a reciprocal exchange agreement with Swansea University you can study with us as an exchange student
- This means that you will not pay additional tuition fees to study with us - you will pay your usual fee to your home university
- However, if you are a US student who pays out-of-state fees to your home university it may be cheaper to enrol with us directly (see right)
- See [www.swansea.ac.uk/StudyAbroad](http://www.swansea.ac.uk/StudyAbroad) for further information and how to apply

Please check with your home university study abroad co-ordinator or visit [www.swansea.ac.uk/StudyAbroad](http://www.swansea.ac.uk/StudyAbroad) for further information about which of these options is most suitable for you.

## DIRECT ENROLMENT

- If your home university does not have a reciprocal exchange agreement with Swansea University you can enrol with us directly
- You will either pay fees directly to Swansea University or via your home university's Study Abroad Office, if they have a direct enrolment partnership with Swansea University
- See [www.swansea.ac.uk/StudyAbroad](http://www.swansea.ac.uk/StudyAbroad) for tuition fees, how to apply and further information

It is available in both September and January and an additional fee may be payable, depending on your programme of study. See [www.swansea.ac.uk/pre-sessional](http://www.swansea.ac.uk/pre-sessional) for details.

*\*Biochemistry and Genetics modules only*

# WHERE YOU WILL STUDY

---

From September 2015 Swansea University will operate across two campuses and the teaching for each subject area will take place on the campus where its home College is located:

## SINGLETON PARK CAMPUS

Established in 1920 and located in parkland on the seafront, this campus is home to the Colleges of Arts and Humanities, Human and Health Sciences, Law, Medicine, and Science.

It is also home to the University's Sports Village, gallery, museum and theatre, and numerous shops, cafés and bars.

## BAY CAMPUS

Opening in September 2015, this state-of-the-art campus is located on the seafront four miles from the Singleton Park campus.

It is home to the College of Engineering, the School of Management and student facilities including a library, support services and student residences.

This development was guided by the personal interest and involvement of Prince Charles and his Foundation for the Built Environment.

# LIVING IN SWANSEA

---

## ACCOMMODATION

The University offers a wide choice of accommodation on both campuses and all students are provided with assistance in finding accommodation on campus or in the local area. For further information visit: [www.swansea.ac.uk/StudyAbroad](http://www.swansea.ac.uk/StudyAbroad)

## COSTS

Swansea is one of the most affordable places to live as a student in the UK and the cost of living is low. For further information visit [www.swansea.ac.uk/international/students/fees-and-funding](http://www.swansea.ac.uk/international/students/fees-and-funding)

# ABOUT SWANSEA

---

- The University is located on Swansea Bay, a stunning beach stretching for 5 miles, and both campuses are within easy reach of the city centre
- Swansea is on the edge the Gower Peninsula (the UK's first designated 'Area of Outstanding Natural Beauty') which is home to some of the world's best beaches, including Rhossili beach, voted 9th Best Beach in the World in the 2014 TripAdvisor Travellers' Choice Awards
- Swansea is located in Wales, one of the four regions that make up the United Kingdom (together with England, Scotland and Northern Ireland). Known as "the land of song", Wales has a distinctive culture with its own mythology and one of the oldest unbroken literary traditions in Europe. Home to three UNESCO World Heritage Sites and 400 castles, it is renowned for its stunning natural scenery, numerous historic monuments and passion for rugby!
- Located under three hours from Bath, Stonehenge and Stratford-upon-Avon and just three hours from London, Swansea is the ideal base for exploring the UK
- Swansea has excellent national and international air, rail and bus links, with direct flights to Edinburgh, Dublin, Paris, Amsterdam, Munich, Milan and Barcelona from nearby Cardiff airport
- It is home to Swansea City Football Club - Wales' first Premier League football team
- The world's first coastal path to cover an entire country, Wales Coastal Path, runs through Swansea and for 870 miles around the coastline of Wales
