Dealing with the Impact of Grief

RHEEDA WALKER

Associate Professor
UH Department of Psychology
Licensed Clinical Psychologist

Founder of Culture, Risk and Resilience Lab

EXPERTISE

- Resiliency of the Mind
- Culturally-informed Coping
- Diabetes Health Behaviors in African Americans
- Suicide Science
- Race-related Stress
- Theories in Personality

"The bereaved can and should be allowed whatever they need to work through grief. How one thinks about and is permitted to mourn the death of a loved one can impact the healing process."

PUBLICATIONS

- "Perceived discrimination and hopelessness in community-based African American adults: Moderating Role of Social Support"- Cultural Diversity and Ethnic Minority Psychology (co-authored)
- "Health literacy and current CD4 cell count in a multi-ethnic U.S. sample of adults living with HIV Infection"- International Journal of STD and AIDS (co-authored)

CREDENTIALS

- A.B., Psychology, University of Georgia
- M.S., Clinical Psychology, Florida State University
- Ph.D., Clinical Psychology, Florida State University
