GEORGE H.W. BUSH PRESIDENCY

JIM GRANATO

Professor, Political Science

Executive Director, Hobby Center for
Public Policy

EXPERTISE

- American Political Institutions
- Public Policy
- Statistics
- Social Sciences

"His successes as President, particularly in foreign policy, set a high standard. In the wake of the collapse of the Soviet Union, he and his foreign policy team helped engineer a peaceful transition, including a steadfastness to the attempted coup against Mikhail Gorbachev, which ultimately was defeated."

PUBLICATIONS

- "The Role of Policymakers in Business Cycle Fluctuations", (co-authored)
- "EITM: An Assessment with an Application to Economic Voting." Electoral Studies (co-authored)
- Thesis: "Presidential Reputation and Business Cycle Fluctuations"

CREDENTIALS

- M.A., Political Science, Texas A&M University
- Ph.D., Political Science, Duke University
