Mathematics, and College of Natural Sciences and Mathematics
Alumni Association

Eckhard Pfeiffer and Carolyn Farb Alumni Association Scholarships

The Department of Geosciences and the College of Natural Sciences and Mathematics Alumni Association (NSMAA), aim to encourage students to pursue studies in the sciences and mathematics at the University through this Scholarship Program.

The Eckhard Pfeiffer Alumni Association Scholarships
*Scholarships for one academic year for entering Freshmen,
Continuing Undergraduates and Graduate students*

The Carolyn Farb Alumni Association Scholarships
*Scholarships for one academic year for entering Freshmen,
Continuing Undergraduates and Graduate students*

Eligibility

Freshman: Applicant must be a graduating high school senior with a state core GPA of 3.0 or higher, and must meet all other admission requirements for the University of Houston, College of Natural Sciences and Mathematics. The recipient must enroll in, and complete, a minimum course load of 12 SCH (full time equivalent) as a major in any of the NSM disciplines, maintain a minimum GPA of 3.0 or higher during the Fall semester, and enroll in and complete a minimum course load of 12 SCH (full time equivalent) in the Spring semester.

Undergraduate: Applicant must be an undergraduate student in good standing at the University of Houston, must be a major in the Department of Geosciences, must have a cumulative GPA of 3.0 or higher over all science/mathematics courses taken at UH, and must have 24 or more SCH remaining in the degree program at the time of the scholarship award. The recipient must enroll in, and complete, a minimum course load of 12 SCH (full time equivalent) in the Fall and Spring semesters.

Graduate: Applicants must have a minimum 3.25 GPA or higher over all science/mathematics courses taken at the University of Houston or other institutions and must have 18 or more SCH remaining in the degree program at the time of scholarship award.

NSM and NSMAA Scholarships are open to all eligible individuals. There are no restrictions to applicants based on sex, race, age, nationality, religion, disability, or country of origin.

Scholarship Fund Disbursements

Made in two equal increments (Fall and Spring) directly into the recipients' student account upon verification of enrollment and minimum qualification requirements.
