

2012 - 2013

Scholarship Application Form

Incoming Freshmen, Undergraduates, & Graduate Students

UH Earth and Atmospheric Science Majors: Earth Science, Environmental Sciences
Geology, Geophysics

Name _____ PeopleSoft No. _____

Current Mailing Address: Permanent Mailing Address:

Degree Program (check one)

B.S. Geology _____ B.S. Geophysics _____ B.A. Earth Science _____ B.S. Environmental Sciences

M.S. Geology _____ M.S. Geophysics _____ M.S. Atmospheric Science _____

Ph.D. Geology _____ Ph.D. Geophysics _____

Scholarship/Fellowship Type (circle selection)

The type of scholarship/fellowship I am applying for is:

1. Earth and Atmospheric Science Undergraduate Academic Scholarship (Entering Fresh. - Jr.)

1. Earth and Atmospheric Science Undergraduate Field Camp Scholarship (Jr. and Sr.)

2. Earth and Atmospheric Science Graduate Academic Scholarship (MS and Ph.D.)

1. Earth and Atmospheric Science Graduate Fellowship (MS and Ph.D.)

Note: Undergraduate students may submit applications for both awards.

This section for INCOMING FRESHMEN ONLY

High School _____ Graduation Date _____

City & State of High School _____

List of High School Honors _____

Grade Point Average (GPA) _____ on a _____ scale*. Class Rank _____ out of _____

SAT Scores: Verbal _____ Date _____ Math _____ Date _____ Total _____

ACT Scores Subject _____ Date _____ Subject _____ Date _____

Subject _____ Date _____ Subject _____ Date _____

Have you applied for admission to UH? _____ If yes, when: _____

Have you been admitted by UH? _____ Anticipated Enrollment Date: _____

Declared or Intended Major Degree Program _____

This Section is for CONTINUING UNDERGRADUATES ONLY

In the academic year 2012-2013, I will be an:

Undergraduate student at the Sophomore _____ Junior _____ Senior _____ level.

Number of semester credit hours completed: Total _____, at UH _____, in Earth and Atmospheric Sciences _____, at UH _____

Number of additional credit hours needed for graduation: _____ Cum. GPA: _____ GPA in Major: _____

Currently working: Yes _____ No _____ Hours/week _____

Employer _____ Postion _____

This section is for INCOMING OR CONTINUING GRADUATES ONLY

In academic Year 2012-2013, I will be a

Earth and Atmospheric Science Graduate Student in Year 1 _____ Year 2 _____ Year 3 _____ Year 5 _____ .

Undergraduate School _____ Location _____

Undergraduate Major _____ Cumulative GPA _____ GPA in major _____

GRE Scores: Math _____ Verbal _____ Analytical _____ Total _____

GRE in Geology (if available) _____

Number of Graduate SCH completed: Total at UH _____ Total in Earth and Atmospheric Sciences _____

Number of additional credit hours needed for graduation: _____

Graduate Cumulative GPA _____ GPA at UH _____

ALL APPLICANTS (on a separate sheet of paper):

1. In 200 words or less, describe why you selected Earth and Atmospheric Sciences as your field of study and what your aspirations are after graduation.
2. Because some awards have a financial-need requirement, you may provide a brief statement of your financial condition and financial need for the 2013 academic year or the Summer 2013 field camp. Individuals who provide this statement may qualify for a broader range of scholarships or grants in aid. **THIS STATEMENT IS NOT REQUIRED.**
1. For entering students, submit two letters of recommendation in sealed envelopes with writer's signature on the flap, ~~or have~~ these mailed directly to the scholarship committee.

ALL APPLICANTS:

I certify that the information contained in this application is correct and true. I authorize UH, NSM, the Earth and Atmospheric Science Department, NSMA and UHGAA to verify any information relevant to my admission to the University of Houston or any claims made herein. I further agree to release this application or information concerning my records at the University of Houston to the agency responsible administration of the scholarship program. Lastly, I understand that a condition of any academic scholarship recipient is that I am a full-time (12 SCH) student in good standing enrolled in an Earth and Atmospheric Science degree program during the year of the award. The full-time requirement is waived only for field camp grant-in-aid recipients.

Signature: _____ **Date:** _____

Scholarship/Fellowship applications and letters of reference can be emailed or mailed no later than April 15. Send to: Attention Sylvia Marshall
