General Requirements for Eligibility

- (1) A student must intend to pursue a college curriculum directed toward a career in applied geophysics or a closely related field.
- (2) A student must meet one of the following requirements:
 - (a) Attending high school and planning to enter college next fall.
 - (b) An undergraduate or graduate college student whose grades are above average.
- (3) Certain scholarships administered by the SEG Foundation impose additional eligibility requirements, as specified by the scholarships' donors.

How to Apply

Complete the appropriate sections of the application form and mail it promptly to:

**SCHOLARSHIP COMMITTEE
SEG FOUNDATION
P.O. BOX 702740, TULSA, OKLAHOMA 74170-2740
(or 8801 S. YALE, STE. 500, TULSA, OKLAHOMA 74137)
USA**

Applications and supporting documents must be received by the Scholarship Committee on or before **February 1**. Applications will not be considered unless accompanied by required transcripts and supported by at least two letters of recommendation.

A student applying for renewal must complete a renewal application form. Renewal applications and all supporting documents must be received by the Scholarship Committee on or before **February 1**.

Withdrawal of Scholarships

A scholarship may be withdrawn,

- (1) if the holder changes his or her college course from one directed toward a career in applied geophysics to another field of study;
- (2) if the holder enrolls in a different school and/or pursues a curriculum other than what he/she listed at the time of initial application, and no longer meets the requirements set forth by the sponsor of the scholarship.
- (3) if the holder fails to remain in good scholastic standing; to this end, the holder must see that a report of his or her grades is furnished to the Scholarship Committee at the end of each semester;
- (4) if the holder conducts himself or herself in such a way as to embarrass the Society of Exploration Geophysicists or the sponsor of the scholarship.
