

# Department of Physics Tutor List, 2021-2022 Academic Year

Name	Email	Phone	Experience/Additional Information
Obakpolor Eki Osakpolor	<a href="mailto:oobakpolor@uh.edu">oobakpolor@uh.edu</a>	(346) 932-3085	Taught Introductory General Physics Laboratory I and II (Physics 1101 and 1102: mechanics, wave, electricity, magnetism, optics). I can teach physics and math at the college level and help to prepare for standardized tests. I can also teach math and science in the middle school and high school level. I will be happy to work with students in middle school, high school and college.
Larry Guan	<a href="mailto:lguan@uh.edu">lguan@uh.edu</a>	713-430-6958	Physics: high school level (on level, AP), university level (1301, 1302, 2325, 2326) Math: Precalculus, calculus (AP, 2413, 2414, 2415), differential equations (3331), engineering math (3321)
Pablo Lopez-Duque	<a href="mailto:plopezduque@uh.edu">plopezduque@uh.edu</a>	832-633-4197	I can handle any college level Physics or Math. Tutored calculus based Physics: Mechanics, Electromagnetism. Taught 1101 lab.
Damien Price	<a href="mailto:drpp88@gmail.com">drpp88@gmail.com</a>	(832)288-6396	High school level math and physics General Physics 1 and 2, University physics 1 and 2 Precalculus, Calculus 1-3, Linear Algebra, Differential Equations
Nosheen Younas	<a href="mailto:nosheenyounas02@gmail.com">nosheenyounas02@gmail.com</a>	832-769-2767	Taught Physics and Mathematics to high school (O-level and A-Level) pupils.
