

POLICY TITLE: READMISSION STANDARDS

Policy

Students who meet any of the following criteria will no longer be enrolled in the nursing program and must apply for readmission:

- Students who earn a 75 or below in a nursing course
- Students who have an interruption in the normal progression of their nursing studies as a result of withdrawal from a nursing course(s) in more than one semester
- Students who have violated the Professional Conduct and Demeanor policy

Program readmission is considered on an individual case by case basis and is dependent upon the following factors:

- Track Manager approval
- Good academic standing with the University
- An overall Nursing Course grade point average (GPA) of 3.0
- Space availability
