Dear Employer: The above named student is applying for employment under the U.S. Citizenship and Immigration Service program called Curricular Practical Training (CPT). The application will be reviewed by an authorized Designated School Official (DSO) at UH. Authorization will be made after review of the student’s records, your job offer letter, and this application. Your job offer letter should contain the job title, a basic description of job duties, hours of employment per week, job location, the start date, and ending date (if known). **Work authorization for this student must be renewed each semester.** The proof of authorization will be indicated on p. 2 of the student’s SEVIS (Student & Exchange Visitor Information System) generated I-20. This I-20 information, including the employer name, will be in the SEVIS records (see page 31 of the I-9 Employer Handbook for a sample I-20). The student will receive a grade for the CPT. The signature below does not obligate the employer in any way. It is a statement of understanding about the nature of the student’s authorization to work. It may take 5-10 working days to complete the authorization process. The student should not start or continue the CPT without valid authorization on page 2 of the I-20.

“As the employer (or representative thereof), I understand that the authorization for this employment will be through the CPT program. I have attached a job offer letter. Employment is contingent on the student producing proper work authorization each semester.”

ACADEMIC VERIFICATION
– College or Departmental Signature Required –

This section needs to be signed by the Dean, Dissertation/Thesis Advisor, OR the student’s Academic Advisor. The student is applying for Optional Practical Training (OPT), which is available through the Department of Homeland Security (DHS). It allows an F-1 international student to work for up to one year in a field related to his/her major. In order to recommend the student for this post-completion practical training, we need to know the expected completion date. A student is allowed to apply 90 days before the completion of studies. It is helpful for the student to apply as early as allowed under law, since it may take up to three months to process the Employment Authorization Card from DHS. If the student does not complete the degree when expected, the Employment Authorization Card may be cancelled as long as the OPT start date has not begun. If the card is cancelled the student may reapply for OPT. If you have any questions, please call #35065 and ask to speak to an International Student Counselor. NOTE: Engineering majors have additional steps to follow. Please check with your department before attending a group OPT appointment.
