

## F-1 STUDENT SEVIS I-20 TRANSFER OUT FORM

### Procedures:

**(1)** Apply to the new school and receive an admissions letter. Certain conditional admissions letters are not allowed. Make sure you verify with ISSSO if you have any questions.

**(2)** Email the admissions letter together with this completed form to [ISSSOHLP@central.uh.edu](mailto:ISSSOHLP@central.uh.edu). Make sure you include a valid release date for your transfer out. You may also include the other school's Transfer-In Form to fill out for the ISSSO staff member. If the other school's transfer in form is electronic, please have this form assigned to the counselor working on your case.

**Note: This form is only for ISSSO to transfer your SEVIS I-20 to the new school, it has nothing to do with your academic credits and cannot be used to drop your courses.**

**Students Transferring to HCC:** HCC will provide your admissions letter to ISSSO after completion of their transfer-in form by our office. For these cases, you will only have to provide ISSSO the HCC transfer in form and this completed transfer out form below to have us process your request.

### Please INITIAL the following statements below regarding F-1 regulations and transferring out.

I must attach the admissions letter from my new school along with this form (unless it's for an HCC transfer out).

I have informed the new school of my transfer prior to requesting a transfer out. Only one school can receive my SEVIS record.

I must be in legal F-1 status before transferring to another school unless the other school will help with my reinstatement.

I must transfer my SEVIS record prior to the end of my 60-day grace period following the completion of my degree program or at the end of my OPT.

I must start classes at the next available semester (e.g. Fall → Spring), which has to be within 5 months from the last day of classes at UH, OPT/-X end-date, or the last day of work on OPT/-X if it's not completed.

Any work authorization that I have (OPT, CPT, and on campus employment) will end the day before my release date.

If I travel outside the U.S. after my transfer is processed, I must re-enter with my new school's I-20.

I can request ISSSO to cancel my transfer request prior to the release date that I requested below. After this date, my SEVIS record can only be accessed by the new school.

I must report to the new school within 15 days of the program start date on the new school's I-20.

My transfer out process will be completed once the new school updates SEVIS to reflect my enrollment in classes, not when I receive my initial I-20 from that school.
