

Account Administrator Manual

The Account Administrator will be the departments PTS contact. We will set them up with all privileges and they will set-up their own users and assign privileges to them.

To add users to the account

The screenshot displays the T2 FlexVal web application interface. The browser's address bar shows the URL `validation-app.prod.link.t2systems.com/?customer_id=2653`. The page header includes the T2 FlexVal logo and a user profile icon. The main content area features a 'Select Validation Type' section with a dropdown menu currently showing '100 Discount (100% Counseling & Psyc Services)'. Below this is a 'Scan or Enter Ticket Number' section with three input fields: 'Facility', 'Lane Number', and 'Ticket Number'. A blue 'Enter Manually' link is positioned to the right of the 'Ticket Number' field. On the right side of the page, a dropdown menu is open, listing several options: 'Enable Kiosk Mode', 'Change Password', 'Manage Users', 'Get Balances', 'Contact', and 'Logout'. A black arrow points from a text box to the 'Manage Users' option in this dropdown. The text box contains the instruction: 'From dropdown select "Manage Users"'. At the bottom of the page, a 'SUBMIT' button is visible. The Windows taskbar at the bottom of the screen shows the time as 7:11 AM on 6/5/2021.
