

HOW TO TAKE YOUR MEASUREMENTS:

BUST / CHEST

Exhale, then measure under your armpits, around the fullest part of your chest/bust and shoulder blades.

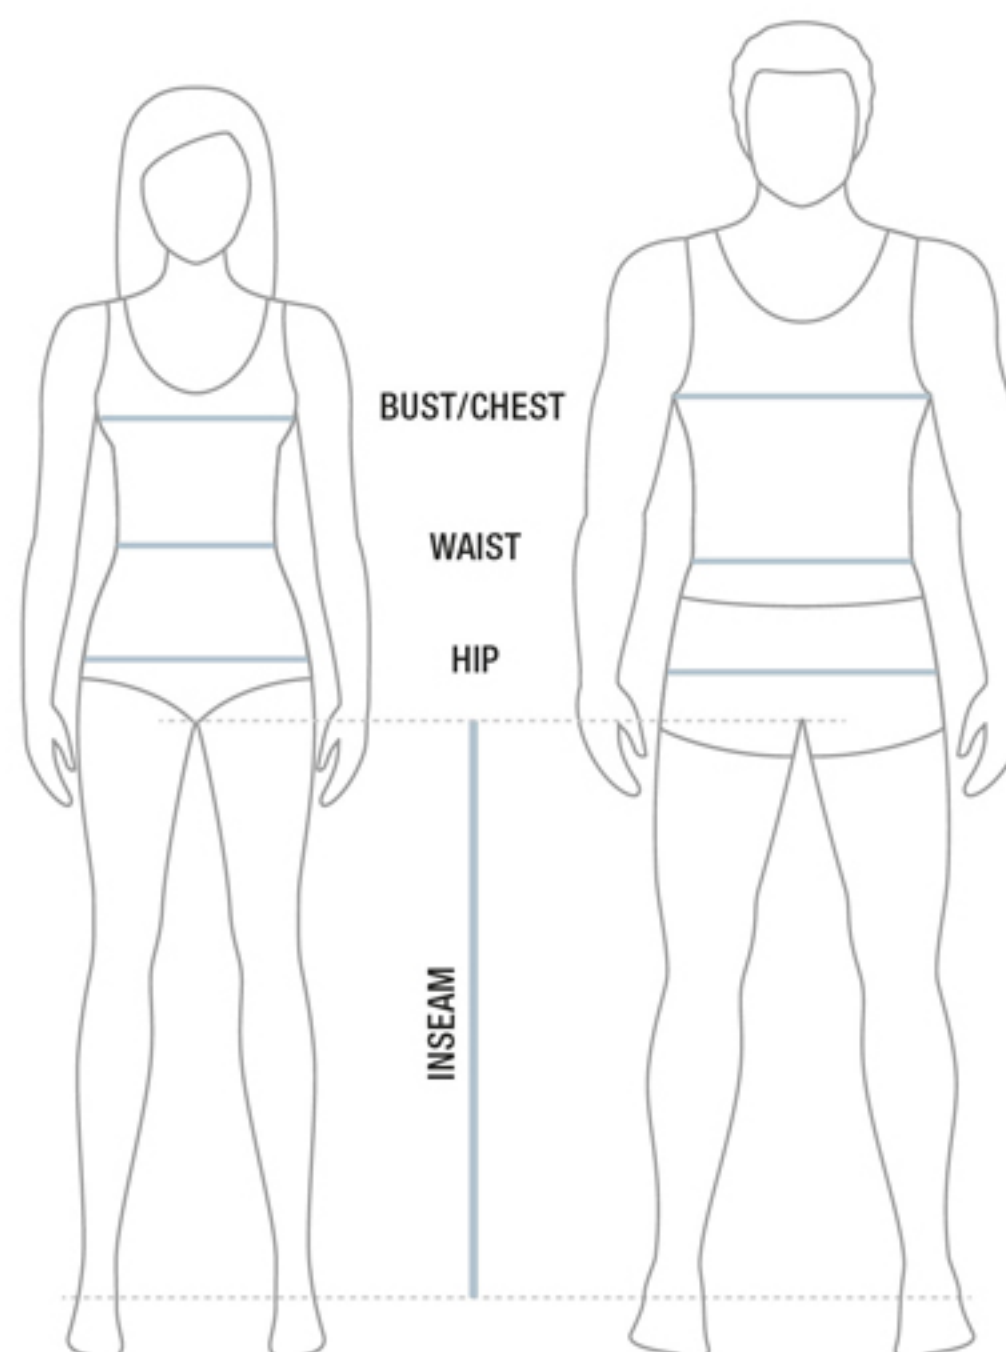

WAIST

Keep the tape comfortably loose and measure around your natural waistline which is the point where you bend side to side.

HIP

Standing with your feet slightly apart, measure around the fullest part of your hips. Approximately 8" below your waist.

*For international sizing, follow the 'cm' measurements.

**Numeric specifications are body measurements. Follow the "How to Take Your Measurements" instruction to determine your size range.
