

Office of Technology Transfer and Innovation

The Office of Technology Transfer and Innovation:

- Manages patents and copyrights, and provides early stage feedback on technologies
- Works with faculty and the Intellectual Property Committee to file patents for inventions
- Markets University-wide technology and manages the licensing process
- Helps entrepreneurial faculty and students launch promising startups
- Manages the innovation spaces at the Technology Bridge

UH Technology Bridge

The UH Technology Bridge boasts more than 30,000 square feet of incubator space and nearly 200,000 square feet of built-up space ideally suited for large laboratories, pilot scale facilities, and light manufacturing. It offers access to resources and expertise in one location and in close proximity to the innovation and energy corridors, midtown innovation district, downtown, NASA, and the Houston Ship Channel complex.

Features:

- 74.7 acre park
- 692,298 total SF
- 5,659 SF Innovation Center
- 31,000 SF Incubator Labs
