## Priority Enrollment Checklist

1

### Meet with your Academic Advisor

Set up an appointment with your [advisor](#) to discuss courses for Fall 2020. Review your [academic map](#) and enroll in courses within 48 hours of April 3rd.

Please note: Your college will be communicating with you in regards to the means in which advising will be offered.

If your appointment is after the priority enrollment date, select courses by reviewing your academic map and enroll on April 3rd. Review your courses during your appointment and revise your schedule, if needed.

2

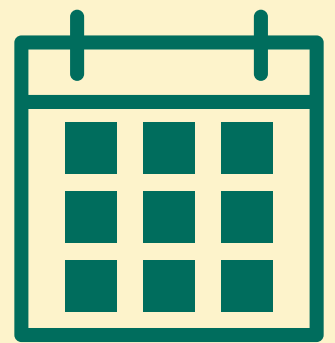

### Eliminate Enrollment Barriers

Check your [myUH](#) account for any holds. Click on each hold to learn more about how to remove them.

3

### Review Course Schedule

The Fall 2020 course schedule will be available on March 23rd so mark your calendars!

4

### Add Courses to Shopping Cart

Add courses to your shopping cart based on the [academic map](#) for your major and discuss with your academic advisor. Keep in mind that adding courses to your cart does not complete enrollment!

5

### Check Your Enrollment Time

All UHin4 students will have priority enrollment on the same day but not the same time. Students will have access to view their enrollment time on March 23rd. To check for your enrollment time, log into [myUH](#) and navigate to the Student Center. On the left-hand side menu, click on the "Open Enrollment Dates" link under the "Enrollment Dates" heading. Enrollment times may not be changed.
