From: Mr. Sean Piper and Ms. Araceli Lopez, Student Fees Advisory Committee

Re: **Student Fees Advisory Committee (SFAC) Recommendations**

The Student Fees Advisory Committee respectfully submits for your consideration the attached Student Service Fee. In an effort to meet the multiple needs of the campus community, who are dependent upon the Student Fee, the Committee has found it necessary to recommend an increase in the student fee to \$176.00 per fall and spring semester.

The following recommendations include one-time recommendations for fiscal year 2006 to be allocated from existing fund balance in addition to fiscal year 2007 base budgets, base augmentations, and one-time allocations for various student fee funded units.

The attached report presents budgetary suggestions and effectiveness concerns that were cited by the committee. If there is any need for a more detailed explanation of the report, please feel free to contact us through the Dean of Students Office.

FY 07 Base: \$114,957

FY 07 OT: \$0

SFAC recommends that AFB receive a FY 07 base of \$114,957 holding constant the student fee allocation percentage given in FY 06. We are recommending that AFB establish a post evaluation form or interview to evaluate past AFB funded events. Overall, we are proud of AFB's hard work, dedication, and acknowledge the fantastic job you are doing.

Athletics

FY 06 OT: \$0

FY 07 Base: \$4,023,486

FY 07 OT: \$0

SFAC recommends that Athletics receive a FY 07 base of \$4,023,486, which is \$227,905 greater than the actual amount requested for FY 07 (\$3,795,419), and holds constant the student fee allocation percentage given in FY06. The committee feels it appropriate to recommend that the VPSA act upon the request of Campus Recreation and reallocate \$40,000 for FY07. We also recommend that athletics annually pay for their agreed upon use of the CRWC Natatorium and designated locker rooms. In addition we recommend a compromise of \$50,000 be reallocated for the FY 04 - FY 06 non-payment of the agreed contribution (for a total of \$90,000 from the FY 07 allocation). SFAC is very excited about the new direction of the athletic program. We recognize the success of the tennis, softball, diving, track and field, as well as the men's basketball and football programs and hope that this success is reflected through the other athletic programs. SFAC commends you for all your hard work on leading student athletes to graduation and on the formation of Coog Crew. SFAC recommends collaborating with MVP for future community service projects undertaken by student athletes.

extremely worthwhile projects the committee feels it appropriate to recommend \$17,040 for the director's position. We strongly urge you to investigate sources of additional funding from both on and off campus. While the office space is somewhat lacking in comfort and amenities the budget is such this year that renovation funding is not possible. We do not recommend the allocation of the one-time request for FY07, rather we feel like you should seek funds from more appropriate (academic) sources. We approve the FY07 one-time request to enable better access for disabled veterans. We

request that next year's report contain more quantified data of your unit's effectiveness.
