Division of Student Affairs

FY24 Student Fees Advisory Committee (SFAC) One-Time Request (c)

The Women and Gender Resource Center (WGRC) would like to request \$5,000 in one-time funding for the launch of an outreach initiative called "Raise the Bar."

"Raise the Bar" is a bystander intervention training program for local bars that provides education to staff on recognizing the warning signs of drug and alcohol-facilitated sexual assault, how to intervene, and ways to make their establishment a safer place for everyone. The WGRC would seek to partner with UH Wellness Sexual Prevention and Education for this outreach initiative, targeting the local bars which attract UH students. Funds requested would go towards training and promotional materials.

This education and prevention outreach initiative would strengthen relationships between UH and the surrounding community, underscoring the WGRC's commitment to the Division of Student Affairs Strategic Initiative of creating partnerships with our local community. Furthermore, this outreach program would serve as a signal of UH's commitment to address sexual violence and support gender equity and educational access for all.
