Department of Campus Recreation

One Time Request for FY 2025

The Department of Campus Recreation respectfully submits a FY 2025 One Time Request to purchase a Gator to support programs at satellite facilities including the tennis courts and Gertner Fields.

Campus Recreation – Gator **\$16,960**

The Informal Recreation, Intramural Sports, and Sport Club programs, along with various student organizations, UH departments, and other groups, frequently use the tennis courts and Gertner Fields located on the opposite side of campus. Campus Recreation student staff are tasked with operating and supervising these facilities during programs and events, requiring them to transport equipment, first aid supplies, an AED, and a laptop or tablet to each location.

To ensure smooth and successful program execution, a gator is essential for the safe and efficient transport of all necessary equipment and supplies. This would not only streamline operations but also enhance staff preparedness at these remote locations, ensuring they can effectively support both the program and its participants.

Gator	\$ 16,000
Admin Fee (6%)	<u>\$ 960</u>
Total	\$ 16,960

Thank you to the SFAC committee members for your consideration of this request.
