Department of Campus Recreation

One Time Request for FY 2025

The Department of Campus Recreation respectfully submits a FY 2025 One Time Request to replace starting blocks for the CRWC Natatorium.

Campus Recreation – Starting Blocks **\$57,717**

Campus Recreation hosts numerous swim competitions for the UH Varsity Swim and Dive team, NCAA Conference Swim Meets, and various USA Swimming events. The starting blocks used in these competitions are nearing the end of their functional life, and several are already unusable. Many of the non-functional blocks have been stripped for parts to repair others, in order to meet the immediate needs for competitions. Hosting these swim events not only supports the UH varsity team and local swim programs but also contributes to UH recruitment by bringing youth swimmers and their families to campus. Replacing the starting blocks is essential for maintaining the high standard of these competitions.

Starting Blocks	\$54,450
Admin Fee (6%)	<u>\$ 3,267</u>
Total	\$57,717

Thank you to the SFAC committee members for your consideration of this request.
