One Time Request for FY 2026

The Department of Campus Recreation respectfully submits a FY 2026 One Time Request to replace the CRWC Natatorium Scoreboards and Timing Equipment

Campus Recreation – Natatorium Compressor \$71,171

The compressor in the natatorium pump room has reached the end of its functional life and must be replaced to ensure continuous operation of the facility for the UH community. If the compressor fails, the entire natatorium would need to be shut down until a replacement is installed. Given that the CRWC Natatorium serves as the home for Varsity Swim and Dive, the UH Water Polo Club, as well as hosting numerous swim and dive competitions, swim lessons, and other aquatic programs, it is critical that the compressor be replaced to avoid disruption.

Natatorium Pump Room Compressor	\$ 67,142
Admin Fee (6%)	<u>\$ 4,029</u>
Total	\$ 71,171

Thank you to the SFAC committee members for your consideration of this request.
