

**Additional FY26 One-Time Funding for Film Festival
STUDENT FEE ADVISORY COMMITTEE
NEW FUNDING REQUESTS**

CoogTV continues to steadily grow and increase each year with members, videos, and opportunities. For the past 3 years we have hosted a film fest. Each year we range around 500 attendees. This has been a tradition and partial closing celebration for Coogtv. This celebration brings all members and highlights the University of Houston's film scene, and student's hard work. The Executive Board has found it necessary to improve this event in order to gain more traction and celebrate our member's achievements. Last year we were able to get the Houston Film Commission to judge the films we created, and this year we plan on expanding this idea, by potentially more eyes on our members talent. In order for our members to shine, we would like to expand this event by adding, vendors, more awards, entertainment, larger venue, and guest judges/hosts. CoogTV is requesting Additional One Time Funding for our Film Festival of \$9,010.00.

Film Festival Expenses + \$8,500.00 + 6% Admin. fee (510.00) = **\$9,010.00**
