STUDENT EXPERIENCE

"Ignite Leadership has captivated my heart. As a first-year student at the University of Houston the program allowed me to connect with other students and encouraged me to utilize my leadership skills to help grow in my collegiate journey. Additionally, it taught me the power of resilience through difficulties and encouraged me to believe that I can truly make a difference."

UH SUGAR LAND ENHANCEMENT

STUDENT EXPERIENCE

“I have been at UH Sugar Land since my freshman year. I enjoyed the grab and go event we had this semester but I also LOVED the events that we had last semester with your customized hat, paint splashing, catered food, and more. I really appreciate those types of events and the “relaxation” events because it feels like UH Sugar Land isn’t just a separate entity from UH Main. During my first 2 years of uni, I’d feel really bad that I couldn’t attend similar UH Main events because the commute/class time would overlap with the event duration. I’m excited to see what the UH Sugar Land team brings next!!”
