

Proposal: NABITA System Membership and Customized Training

FY26 OT B

Overview of NABITA

The National Association for Behavioral Intervention and Threat Assessment (NABITA) is a leading organization dedicated to supporting schools, colleges, and workplaces in building safer communities through evidence-based behavioral intervention, threat assessment, and risk management practices. NABITA's mission is to provide education, resources, and consultation that empower institutions to effectively identify, assess, and intervene with individuals of concern, thereby promoting well-being, reducing risk, and supporting student and community success.

NABITA services include:

- Professional development and certification opportunities.
- Consulting services tailored to organizational needs.
- Comprehensive membership benefits, including access to resources, toolkits, and model policies.
- Research-driven training to advance the work of Behavioral Intervention Teams (BITs).

Proposed Engagement

We propose entering into a one-year contract with NABITA that includes:

- **System Membership** providing broad access to NABITA's tools, resources, and professional network.
- **Two onsite customized BIT system trainings** for up to 40 attendees.
- **15 hours of consultation** with NABITA experts.
- **Preferred pricing on resolution support services** to strengthen our ability to manage complex cases effectively.

Budget Request

The total cost for this one-year engagement is **\$39,000**.

6% Admin Fee \$2,340

Total request \$ 41,340

Justification

This investment will strengthen our institution's capacity to respond to student needs and community concerns through enhanced training, expert consultation, and access to a national network of best practices. By engaging NABITA, we will:

- Improve the effectiveness and consistency of our BIT processes.
- Build capacity within our teams to manage risk, enhance student safety, and promote well-being.
- Ensure alignment with national standards and best practices in behavioral intervention and threat assessment.
- Provide ongoing professional development to staff and faculty involved in supporting at-risk students and managing community safety.

Conclusion

We respectfully request approval of **\$41,340** to fund a one-year engagement with NABITA. This partnership will significantly enhance our behavioral intervention capacity and ensure we remain at the forefront of student support and community safety.
