"Starbucks Inc. has a history of human rights abuse allegations, including but not limited to the use of slave labor for the harvesting of coffee beans in Mesas Farm in Campos Altos, Brazil, for production of their coffee products and allegedly violating workers' freedom of speech. Israeli McDonald's chains donated thousands of free meals to Israeli defense forces while the state of Israel imposed a complete siege on the civilian population of Gaza leading to famine. With this in mind, do you vote in support of replacing the Starbucks in Student Center South with an alternative coffee outlet, such as Cougar Grounds, and the McDonald's in Student Center South with another alternative fast food chain restaurant?"[Read the full Removal of Starbucks and McDonalds from the University of Houston and the Creation of the Palestine Rights & Liberation Action Committee here.](#)
