Student Transfer “Helpful Tip” Sheet

Whereas, every semester, transfer students, first-generation students and International students join the University of Houston community.

Whereas, these students may require additional resources to aid in their transition to the University of Houston and to navigate within their major specific department.

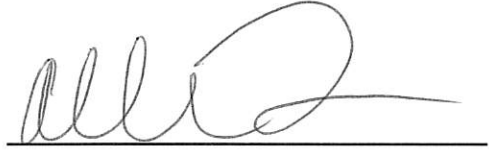

Whereas, SGA representatives that have relevant insights about the collegiate experience and campus life can impart this knowledge to non-traditional students.

Therefore, be it enacted by the Senate of the Student Government Association of the University of Houston:

That an informative “Helpful Tip” sheet which details useful university tips on the front page, and college specific information on the back page will be made available to all college advisors that will be included in the transfer student orientation packets. This sheet will be made by SGA senators and members who are willing to participate, the first of which will be made for the C.T. Bauer College of Business.

Be it further enacted that senators from other colleges, such as the College of Natural Science and Mathematics, The College of Liberal Arts and Social Studies, and any other University of Houston Colleges, will create a similar document as they see fit.

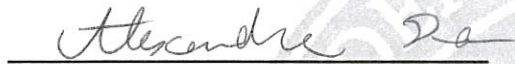

Be it further enacted that senators and representatives from the Student Life Committee will create a similar document aimed towards First Generation Students and International Students.
