Clause 4: Special Reports

I. University Representatives wishing to address the senate

a. Administration and Finance – Report on MOU and Student Fees (Dr. Carlucci and Emily Messa)

Dr. Calucci introduced the topics at hand, ceded time to Mack Rhoades.

Emily Messa was not in attendance.

Rhoades: Stadium has been a success, exceeded expectations.

President Haston took time to describe events that occurred over summer 2014.

Rhoades thanked the students and time was ceded back to Calucci.

- Explained estimates: 36 million dollar original estimate for proposed end zone facility in 2008. Plan changed in 2010, new stadium original estimate was 120 million dollars. Added to this estimate was a 40 million dollar renovation of Hofheinz Pavilion.
- Addressed use of HEAF funds.
- Explained different revenue sources (notably, student fees = 28% of the funding).
- Explained requirements for UH Auxiliaries that rent their facilities for income.
- Explained budgeting for Capital Renewal.
- Addressed Public Private Partnerships.
- Explained how rates are decided upon.

Dr. Calucci's presentation was followed by questions from President Haston.

- President Haston requested that Mack Rhoades summarize the new student fee and Memorandum of Understanding, and that summary was given.
- Haston followed up with several questions on which individuals were involved with the referendum and the MOU in question.
- Rhoades established during questioning that the above issue was under Finance and Administration (Dr. Calucci) as opposed to the Athletics Department.
- Dr. Calucci was asked whether his understanding was the same as that established by Rhoades he made the clarification that he was not fully aware of all the details of the MOU.
- Haston asked about the establishment of a committee to oversee UH athletics facility usage (Clause 8 of the MOU) Dr. Calucci responded by saying that this was a governance issue, and that getting involved with this would be overstepping his authority.
- During questioning, Dr. Calucci said that there is a difference between "honoring" the MOU and "dealing with it right away."
- Haston asked whether the construction was over budget. Dr. Calucci responded that it was still in negotiation.

- Dr. Calucci clarified during questioning that the stadium was not planned to be completed for opening day. He also said that he could not say for sure whether the construction was over budget.
- Dr. Calucci explained that there are still parts of the stadium to be completed.
- Haston requested that Dr. Calucci read a selected part of the RFP (Request for Proposal).
- A memo was displayed to Dr. Calucci, Dr. Calucci said he "probably" recognized it.
- Haston asked about the use of the current private contractor for the stadium (Venue Works) considering its limited (nonexistent) experience dealing with large stadiums in metropolitan areas near the size of Houston.
- Dr. Calucci clarified that aggressive booking can occur once football season is over.
- Haston asked Dr. Calucci about the General Counsel's Office.
- Haston asked about what was said by the internal auditor Dr. Calucci responded that the process started with attempting to contract larger businesses.
- Haston asked why if two internal watchdogs had concerns about the way the RFP was handled (and wanted it sent back) those recommendations were not followed.
- There was a consistency issue about what services exactly were sub-contracted by Aramark to Venue Works.
- Dr. Calucci explained that this was not truly sub-contracting, but rather a partnership. Questioning from the Senate Floor was held.
- Senator Ramirez asked about the future timeline. Dr. Calucci responded that more about costs will be known after the last football game.
- Senator Kadiwala asked about the expected lifespan of both the private contract and the stadium itself. Calucci responded 15-30 years.
- Senator asked about where the presentation could be found online.
- Senator asked for Calucci to elaborate on his understanding of the MOU.
- Senator Salinas asked about intramural sports and how they will be handled. Calucci clarified that this reduced cost is factored in.
- Senator Pourreau asked about whether a field cover has been purchased yet. Calucci responded that it has not been fully purchased yet.
- Senator Magadi asked about resistance in reporting the funds. Calucci responded that it was an issue of time. President Haston interjected to clarify accuracy of Calucci's claims on this topic. Calucci responded that a smaller number of people is better to work out details and that this was not an issue of public or private. Haston responded that Administration and Finance had two months and did not hold itself to the standard of the other university departments.
- Senator Alsbrooks asked about whether students were made aware about the use of the third party contractor. Calucci conceded this point, though admitted he was not sure of the awareness of anyone on this topic at the time. Senator Alsbrooks asked whether substantive talks would have been a net positive. Calucci rejected the premise of this question and suggested that he did not have enough information at the time for those hypothetical talks to make a difference.
- Director of Finance thanked Dr. Calucci for his presentation and expressed appreciation for his effort.

Clause 5: Executive and Speaker Reports

I. Report of the President

Discussed issues related to the previous questioning of SFAC and his past decision to go public with the issues. Suggested that several claims made during the questioning were fabricated. Clarified some of the details of the situation.

50 million dollars in bonds have been committed to the stadium. The costs discussed with the Board of Regents was not multiple phases, but rather was complete predicted costs. 90% of complaints are issues that report to Administration and Finance. Food services issues and parking issues all go up to Emily Messa. Discussed transparency issues. Discussed issue with RFP process.

A bid that nobody else would take was proposed – President Haston expressed the lack of ethics in this decision. Official statements show that Venue Works is in charge of managing for the stadium. Staff turnover is 60-80 days for Venue Works. Venue Works is not swiping students in.
