No university reps

Jacob Way: regional director for Texans for Greg Abbot
abbot wants a strong Republican Party from the top down. Wants to leave a legacy beyond his last term. Texans for Greg Abbot republican leadership initiative. 14 weeks internship. 4 phase program: successful political opposition. Launch political career. Expand network. Thinks it may be an amazing opportunity.

Austin Turman: hard at work. Election code. Lots of complaints and problems so they are writing a new election code. Starting conversation with himself and the senate. Make the code as fair as possible. Biggest change: how we are going to do article 7: punishments... Now mutual communication between AG and EC. Complaint filed: AG will have 1 day then work with EC to see more stuff. You can appeal. Some information about candidates and campaigning. Defined parties. Party organization...online voting will be pushed.

Q: Sean V. What is the difference between AG and EC?

A) s

Q: candidates are the only ones that can campaign.

Q: time list for complaint to respond? (Paul)

A) people should respond day of? I think....

Q) once someone appeals does the punishment get suspended? (David G)

A) yes, pending the decision by the court 48 hours

Still working on runoff elections.

HB: help on initiatives

KF: finished nsm mentor ship program. Meeting with head of advising. Peer advising.

ZV: Taco Bell 3:30

DG: meet with KF to work on a proposal for drop date. 300-400 students do not and cannot purchase a parking pass. Opened a waitlist that has over 300 students.

AD: expanding food options on weekends. Talked to dir. of operations. Food trucks need more tablets. C-store pricing. Lessening on highly bought products

Pass

President: special session for code. No room for error. Don't have time to pass major bill. Each change should be own bill. Robert is attending Liberty with Admin and finance to look at food services. Whole new dining experience. Questions and objections but in process of touring universities. In DC to speak on an accreditation panel, but also looking at different dining in DC universities. We are in a make or break time. Finish we will be one of the most successful administrations in recent history. Interesting proposal that would improve food quality but it would increase the cost. Close on the fall break initiatives. Dean did a good job with research. Would not be implemented until Fall 2018. Grade replacement is not as passed as we thought it was. Right now it's with the faculty. Very close on cool parking stuff. Extremely positive feedback on open source textbooks. Progress, progress, progress. Lots of major things impacting students. Unique opportunity to be more impactful.

Finance: pass

Ag: working closely with Austin on election code. Have to put changes in bill format.

Elliot: parking. Why they stopped over selling the lots. Open up passes slowly tomorrow. In the mean time students who cannot get a pass should be referred to the COAST program. Free metro to and from campus. Free \$50 zip car. Helps assist students who park on campus. Make sure they know. Free money.

PR: stole tomorrow. Get polo. Qualify for padfolio. Get SGA members at the 2020 campaign tomorrow. Great progress with SAFEwalk. Plan to have booth in library. Able to schedule walks through email or phone. Table in the 24/7 zone. Logistics are being approved by UHPD. Logo and promo being created. We hope to have emails to fee-funded and RSOs. Contact Dena with any questions, comments or concerns.

Academic Affairs: sticking with same time. Reserved rooms at the start. Paul and David have been working on moving the withdrawal date. Has initial proposal. Getting more syllabi as reference points. Bring in syllabi from courses to Academic Affairs. Be ready to work, not much time left.

Admin and finance: updated time TBD. Emerging leaders will meet with the dean of the library. Want to have a printer in the 24 hour section of the library.

Internal Affairs: updated time TBD. Next meeting next week.

Student life: emailed India about booking rooms. Same time, same locations.

New Business:

Associate AG

Irene Alejandro (?)

CHIP

Pols sophomore

Fair election for the school

Cougar pride, passion for politics.

Q) Hinna, aware of edits? Yes and helped Q) Paul. What were the edits you contributed to?

Stephanie: senior. Two: personal dedication to UH and work experience
Comes from her father. Builds relationships with his clients and his clients say to be successful: they need to go to UH. Worked on a lot of campaigns. Assist in organizing latinos in UH. Fun internship at US house of reps.

Both candidates have been passed.

Clause 9

Evan: class of 2020 is having an international day to eat food and watch shows for \$5. New UH valley school.

Paul: 24/7 library. Things pushed access to first floor. The leadership is standing in opposition of the proposal.

Alejandro: Edie

Leen: NEED volunteers

Hina: emerging leaders are super interested in running for SGA.

Student: emerging leaders

Kim: cats back was good. Not many students due to flooding.

Closing role
