

UNIVERSITY OF HOUSTON
UNDERGRADUATE ADMISSIONS REVIEW COMMITTEE

The Undergraduate Admissions Review Committee is responsible for advising the Senior Vice President about the status of those students who appeal decisions for admission.

Specifically the Committee will advise and assist the Senior Vice President on the following matters:

Review and make decisions regarding the appeal of applicants who do not meet the University of Houston's minimum admission standards. These will be presented to the committee, at the request of the applicant, the dean of the college, or the dean of admissions.

The Director of Admissions will follow the decisions of the Committee and will routinely advise applicants of the availability of the appeals procedures at the time notice of non-admission is communicated.
