

Psychoanalytic Open House

- Interested in how psychoanalytic training can help your clinical work?
- Want internationally renowned analysts' supervision?
- Want to be a part of a global network of clinicians?

If so, please join us at our Psychoanalytic Open House for a special presentation by distinguished guest speaker, Glen O. Gabbard, MD on *"The Crucial Role of Psychoanalysis in the Contemporary Mental Health Environment."*

Invite your friends who may be interested in our Psychoanalytic and Psychotherapy Programs.
