Case Manager - Alternate Response Program (Cumberland County)

Spurwink is seeking a full-time, Bachelors-degree LSW or LSW-Cond candidate to bring competency, adaptability and maturity in serving at-risk families in Cumberland County. This position requires being highly organized, working effectively with colleagues and supervisors, being responsive to changes in work schedules, working with other professionals in court, medical and behavioral health settings and having flexibility to meet with families in their home, occasionally beyond normal working hours. •The successful candidate must be familiar with child welfare practices and in working with families within the scope of prescribed policies and procedures. Bachelors-degree LSW or LSW-Cond required.

Case Manager - Cummings Program (Portland)

Spurwink Services is looking for an organized, detail-oriented individual to assist our social workers and educational administrators in the Cummings School day and residential treatment program. Case managers will be required to have excellent communication/engagement skills with colleagues and school districts and be able to use and expand a resource directory within the region. Case Managers assess needs, develop service plans, make referrals and monitor outcomes with children and families, their natural supports, and with other committed professionals who serve to reduce barriers to families. Use of own car (with mileage reimbursement) is necessary. Full time 5 day position. This individual will also need to track, document and respond to information received from sending school districts. Must have Bachelor's Degree; Spurwink will provide OQMHP credentialing, while LSW-c, LSW, and/or independent licensing is a plus.

Case Manager - Portland Help Center (Portland)

The Portland Help Center, a small multidisciplinary outpatient psychiatric treatment team is seeking an MHRT/C preferably with Drug and Alcohol Counselor Certification. We are seeking one (1) experienced MHRT/C to provide case management services to adults with serious and persistent mental illness in order to promote their integration into the community, achieve symptom stability and relapse prevention. Clean driving history and reliable transportation necessary. BSW or BA degree in a closely related field with conditional MHRT/C or full MHRT/C certification. CADC preferable. ACT team experience helpful.

Clinical Social Worker - Portland Help Center (Portland)

Spurwink Services is seeking a full time Licensed Clinical Social Worker (LCSW) to be a part of a multidisciplinary treatment team at our downtown psychiatric outpatient clinic, Portland Help Center. Responsibilities include being an integral part of the multidisciplinary treatment team, psychosocial assessments, daily telephone and face to face triage with ongoing support to our clinic patients, including supervision of Portland Help Center's case managers and ACT team! The ideal candidate will enjoy working on a Team in the community, have solid inpatient and outpatient experience especially working with adults who have serious and disabling mental illness and co-occurring chemical dependence. Experience or desire to work as part of a professional clinical team essential. Medical background preferred.

Development Associate - Administrative

The Development Associate is responsible for development activities related to corporate sponsorship and special events management for designated community-based organizations (The Compass Project in Portland, The Game Loft in Belfast, and The Augusta Boys and Girls Club in Augusta). The Associate is responsible for achieving revenue goals, outreach to corporate sponsors, and managing special events. The Associate is a full member of the Spurwink Development staff and is also charged with fostering the community organizations' collaboration in all major Spurwink fundraising initiatives. Flexibility and advanced group facilitation skills are required, as is a genuine commitment to collaboration and working with a broad spectrum of employees, volunteers, and members of the business community. Three to five years of experience of corporate sponsorship and special events management, preferably in a development office, are required, as are excellent verbal and presentation skills and strong writing and organizational skills. Knowledge of Raiser's Edge is a plus.
