JOB OPPORTUNITY POSTING

Job Title: LHI Research Interviewer Position – Bilingual Spanish/English

Employer/ Agency: Latin American Health Institute

Job Description: Part-time, temporary research assistant position conducting clinical interviews with unaccompanied minors. Interviews with participating unaccompanied minors will be conducted at DUCS shelters in Houston. Clinical interviews will be conducted with clients to evaluate a six-week *Journey* psychosocial group intervention. The client interviews will occur within several days before the intervention and again several days after the intervention. The interviewer will need to accommodate a flexible schedule during these times.

Qualifications: Native or Fluent Spanish-speaking, fluent in English. Experience working with child / adolescent populations, preferably those with mental illness and/or trauma exposure. Clinical research interviewing experience preferred. Prefer DCF clearance but not mandatory. Position will require CORI background check.

Salary/Hours: Part time / Temporary
