

CME  
Offered

## SUSAN L. MITCHELL, M.D., M.P.H.

Dr. Mitchell is a Professor of Medicine at Harvard Medical School and Senior Scientist at Hebrew SeniorLife in Boston.

Dr. Mitchell's presentation *The Role of the Hospital in the Care of Patients with Advanced Dementia* will enable participants to: (1) recognize the epidemiology, patterns, and outcomes associated with hospitalizations in patients with advanced dementia; (2) examine clinical and policy factors that promote hospitalization of patients with advanced dementia; and, (3) summarize strategies to avoid or improve hospital care of patients with advanced dementia.

**This workshop is funded in part by a grant from the D.W. Reynolds Foundation and The Phyllis Gough Huffington Lecture Series**

**Accreditation:** This activity has been planned and implemented in accordance with the Essential Areas and Policies of The Accreditation Council for Continuing Medical Education through the joint sponsorship of The University of Texas Medical Branch at Galveston and The University of Texas Medical School at Houston.
