

Volunteers Needed!

The First Latino Lemonade Day Registration Fiesta

DATE: Saturday April 13th
TIME: 9:00 am to 1:00 pm (Setup begins at 8:00 am)
LOCATION: Community Family Center's McGovern Building
7318 Ave F, Houston, TX 77011

The GCSW will be co-sponsoring the event and Dr. Luis Torres is spearheading this effort. Over 600 children are expected to attend. They will receive registration backpacks, food and drinks and vendors will be on hand to provide information and goodies for parents.

We need some students to come out and help with this important effort (and some of you may want to bring your kids as well and participate in the event).

Will you consider coming out to help for a few hours?

Send an email to Dr. Luis Torres: LRTorres@uh.edu to volunteer!
