

Last Chance to be on our Sponsor List!

**Will you... um... Do you have a date for... um...
Are you coming to the Hatch Prom?**

We would like to invite you to support our LGBTQIA youth at this Friday, June 7's annual **Hatch Prom**. This year, the youth have chosen "Through the Looking Glass" as their theme, and they are busy preparing decorations, painting tea-cup centerpieces, trying on outfits, and finalizing plans for the room.

We would be honored if you'd consider making a donation or becoming a Prom Sponsor. Or maybe you can stop by next Friday to see the youth in all their glory? Relive or create your own prom memories. Come in your after-work attire, dress up in your ideal Prom get-up, or come as you are. Stop by on your way to other plans, or feel free to stay until the dock strikes midnight!

**Prom is Hatch's largest fundraiser of the year.
Here are three ways to participate and make a difference.**

1) Attend!

The Prom may be the most rewarding evening of the year. Adults age 21 and older are invited to attend the prom for a \$25 donation at the door. Interact with the youth and see with your own eyes the difference we're making, the people we're celebrating, the pride we're instilling. Come in your after-work attire, dress up in your ideal Prom get-up, or come as you are!

2) Sponsor the Prom

Show the youth you care! Every penny raised, above the cost of the Prom itself, will be used to support Hatch Youth's year-round efforts to support LGBTQIA youth. Add your name to our sponsor list, joining Presenting Sponsors [Pride Houston](#), [The Reyna Group](#), and our close friends, Carl Han & Gary Giddings.

3) Invite Your Friends' Support

If you're planning to attend, invite your friends to join you! Stop by on your way to other plans, or make the Prom the evening's main event. Can't attend? Ask your friends to make a donation. Will you help us by forwarding a message to your e-list?
