CEU OPTIONS

Cultural Competency for Providers: Serving Gender Diverse Clients

Part and parcel to quality healthcare is a safe and welcoming environment. What things can be done as providers to ensure that clients of all gender identities feel welcome

Morning Session

Violence and the LGBT Community

So much of the work of healthcare is built around a systemic culture of violence. How do we as providers understand that systemic pressure and break through to clients

Afternoon Session

Approved Breakout Sessions

Choose from any of the CEU approved breakout sessions concurrent to the professional workshops to supplement your engagement and understanding of Transgender Health
