"Field of Mudan," is a story about Mudan, a young Asian girl forced into modern day slavery by the brutal child brothel owner, Madam Zhao. Mudan is initially frightened, and finds solace only through the memory of her mother and a promise that her mother would one day find her and take her away with her to America.

Today, there are 21 million **SLAVES** worldwide.  
What are **YOU** doing to help?

**\*\*Hors d'oeuvres and wine will be provided\*\***
