The Rothko Chapel will hold a discussion featuring author and activist Dr. Gar Alperovitz and local expert David Benson to examine what staggering income inequality means for the future of America's economy, and capitalism in general.

Dr. Alperovitz, Lionel R. Bauman Professor of Political Economy at the University of Maryland, is co-founder of the Democracy Collaborative. He has served as a legislative director in the U.S. House of Representatives and the U.S. Senate, and as a special assistant in the Department of State

David Benson is the Director of Programs and Special Projects in the Office of the Commissioner - Harris County Precinct One.

A book signing and reception on the plaza follows the program.
